Attach completed LPOA

The data for the connection to the PAMM account in the broker are the following:

1.

Enter the WHIZ FX Broker on the main screen and obtain the requested data.

This step is important because you must fill in the Trading Account and Wallet correctly so that it is connected to the strategy.

2.

Once the LPOA is approved, a text message will arrive with the approval and this would indicate that you are already connected to the Banker strategy.

3.

Proceed to fill out and send the LPOA

This document must be printed and completed by hand. For the above we go to the Trading Manager tab.

In the Download Example tab you will find an example of how to fill it out.
